We especially want to thank all those parents and guardians who volunteered and supported the ongoing events at the school.

Your efforts in and out of the classroom contribute to the current and future success of our kids. We also want to take this moment to wish Mrs. O'Hara, Ms. McCreery and Mrs. Harris all the best in their future endeavours.

GRADE 3/4 NEWS (Mrs. Barr)

Lately, our calendar has been full of fun. The students in room 8 won the prize for most cakes brought in to Fun Night earlier this spring. Yesterday, thanks to the PAC committee, they were treated to pizza! Today, they had the opportunity to participate in a Bike Rodeo with Mrs. Hobenshield's class. Thank you to the RCMP officer who ran the obstacle course and the parent helpers who kept things running smoothly. On Thursday night, at 7 p.m., some of our students will be participating in the Talent Show. Come on out and support our children. On Friday, students will be rotating through 7 stations for Aboriginal Day activities followed by a walk to Allen Park for berries and ice cream to end the day.

Please make sure that your child brings his/her backpack or extra bags to carry home all of their work and school supplies.

Report Cards will be sent home with students on Monday, June 22nd.

Please make note of Tuesday, June 23rd. Students in room 8 will have an awards presentation in the class starting at 1:00 p.m.. Every child will be recognized for their achievements this year and receive a gift and an award. Please feel free to join us for this fun year-end event.

Have a safe and enjoyable summer vacation!

Thanks for a Super Year at New Hazelton Elementary...

Thank you for another great year and for the privilege of teaching your children. We had a lot of fun this year and this group I had was very entertaining to spend each day with. Thank you to Judith Hobenshield and her mom Anne Carey for coming to our class last week and making tie dye shirts with the kids. Now each one of them has a keepsake that they can remember their year by. It was a lot of work for these two women and we truly appreciated your help and

enthusiasm.

I am looking forward to some time off as are the kids and I am already busy planning and contemplating lessons for next year's group. Stay safe and have a wonderful summer. Enjoy the high school if this is your year to go over there. They have so much to offer the students there and, though it will be a bit scary at first, it won't be long before you are fitting in and myself and this school will be but a distant memory. I also want to take the time to say good bye to our principal and secretary who

are departing us as well. I have enjoyed your company and working with both of you. Good luck in your future endeavors. Lastly, a small thank you to my wife for keeping me organized this year and an even smaller thank you for the "honey do list" you have left me with for my summer break.....sigh. Mr. G. Barr

HELLO FROM ROOM 12 (Kindergarten) Mrs. Kern

Our year is quickly coming to a close. We have been enjoying some little trips around New Hazelton. On Friday, June 5th, we went to the Credit Union to listen to some country tunes and enjoy the events put on there. As part of our focus on community, we have visited the Fire Station, the Police Station, and the Skeena Bakery. We have been very fortunate to have Dixie Webb in our classroom helping out since June 3rd. Miss Webb is completing a practicum to become an Educational Assistant. It sure is great to have another adult in the room! Speaking of helpers - I am so very grateful to have had Miss Frezell, Mrs. Donovan, and Mrs. Clifford as helpers throughout the year. Our students benefit so much from these dedicated volunteers. Thank you again, ladies!

Parents and Guardians - please remember to mark the date - June 23 at 11 a.m. , we will be having our year end assembly. The Kindergartens will receive their diploma at this time. We hope you will be able to attend.

I am including a list of Dolch words with each students' report card. I hope you will have many chances over the summer to enjoy reading with your child. Identifying the Dolch words in the stories that you share would be great preparation for Grade 1.

In closing, I want to wish all the families a safe and happy summer break. I look forward to seeing you in the fall.

Super Dog

This I am creepy and I live with
 Zech. I like to bark. I bark so
 loud that the house starts to shake.
 I love to dig. I dig so deep that I
 find gold. Also, I love to run. I run
 faster than a rocket. Sometimes I
 like to jump. I can jump over a
 mountain. I love to eat. I can eat over
 3000 stakes. I love Zech.
