Dear Parents/Guardians,

As part of our Physical Education goals and our "Daily Physical Activity" program, we like to take our students for walks in our community. Students should dress appropriately as the weather changes throughout the day. We require your permission to take your child off school property for these short trips.

The signing of this permission slip will allow me to take your child on walks throughout the year. The teacher will take a first aid kit and communicate with the school in the event of an emergency.

Please note that any field trips that require transportation or skating at our local outdoor rink will require a separate permission slip.

**Please return this consent form by Friday September 14<sup>th</sup>, 2018**

I give my permission for \_\_\_\_\_, to go off school property
